**DEADLINE:  
1 MAY 2015**

## WANTED: JUNIOR RAPORTEURS

Swedish Water House and Stockholm International Water Institute (SIWI) are looking to engage Master Students, PhD Students, or young professionals based in Sweden that have a special interest and expertise in one or several of the subjects discussed at 2015 World Water Week in Stockholm.

**FOR 2015 WORLD WATER WEEK  
IN STOCKHOLM**

The World Water Week is an annual event organised by SIWI, attracting 3,000 participants from over 140 countries and more than 250 organisations working with water and development. This year's theme is "Water for Development", and the conference takes place 23-28 August in Stockholm.

As a Junior Rapporteur you will be an instrumental part of the Reporting and Conclusion Process. Together with an experienced Lead Rapporteur the Junior Rapporteurs will follow pre-identified themes during the week in order to capture, summarize and analyse the discussion in relation to the overall aim of the week. The rapporteurs will be given a Terms of Reference, with a number of questions and issues to keep in mind as they follow workshops, seminars and side events in their respective and related areas. The rapporteurs will present their findings and reflections at the Closing Plenary Session on Friday 28 August and to contribute to the Overarching Conclusions of the 2015 World Water Week in Stockholm.

The engagement does not include any reimbursement, but the successful candidates will receive free registration to the conference, lunches and social events. Working at the World Water Week will give you great opportunities to network and develop your analytical skills under professional guidance.

**Please note that that this is both an important and time consuming assignment.**

## APPLICATION

**CV + cover letter which clearly states your areas of interest to  
[elin.weyler@siwi.org](mailto:elin.weyler@siwi.org)**

The selected candidates will be designated an appropriate thematic area to focus on, and a Lead Rapporteur to work with during the week.

**"IT WAS AN EXCELLENT OPPORTUNITY TO KEEP UP-TO-DATE ON THE LATEST DEBATES AND MEET PEOPLE WORKING IN THE SECTOR"**

**"IT WAS EXCELLENT TO HAVE THE RESPONSIBILITY FOR SPECIFIC TOPICS TO FOCUS MY OWN DAILY AGENDA AROUND AND TO MAINTAIN A FOCUS THROUGHOUT THE WEEK. THE BIGGEST GAIN, HOWEVER, WAS CERTAINLY THE PROFESSIONAL NETWORK THAT I DEVELOPED FROM THE WEEK"**

**"I FELT MY CONFIDENCE GREW A LOT FROM BEING A RAPORTEUR. TO SEE THAT I COULD MANAGE THE TASKS, THE TEAM WORK AND THE TIME PRESSURE WILL BOOST MY CONFIDENCE WHEN APPLYING FOR POSITIONS AND INTERNSHIPS IN THE FUTURE."**
