INVITATION

The Słupsk Water Company together with the Słupsk City Municipality, and [Race For The Baltic](#) and [Stockholm International Water Institute \(SIWI\)](#) invites you to the Second Słupsk Water Roundtable this time in the format of a workshop within the project [“Baltic Sea Accelerators: Pioneers for better pollution monitoring and reporting”](#).

The Roundtable will be organised on:

Date: November 28 2017

Location: ...(insert address).

Time: 10-15 lunch is included

We shall discuss possible avenues for closer engagement between municipalities and [HELCOM](#) goals. Topics will include how Baltic Sea Region municipalities and stakeholders can share experience and knowledge about the effectiveness of measures to reduce pollution to the Baltic Sea, as well as engage with local [Baltic Sea Action Plans](#) and increase public awareness.

(please insert Słupsk & Water
Company logos)

The result of the workshops will be used to propose a future project with SIWI and Race For The Baltic, where the governance, reporting structures, and use of key indicators will be investigated and piloted, and where guidance can be given to EU financial mechanisms.

The final agenda will be provided in advance of the workshop.
