

Stockholm International Water Institute (SIWI) is procuring the technical production services for World Water Week 2024 - www.worldwaterweek.org

Our reference: WWW2024 WO 1313001

SIWI intends to enter into a contract for the technical production with a supplier qualified to provide these services for World Water Week 2024. The procurement includes pre-production, on-site production and technicians, on-site technical equipment, and post-production. The agreement period will be 12 months, with the possibility of extension for up to a maximum total of 48 months.

The tender documents have 3 Annexes:

Annex 1 – Requirements on the Tenderer

For the Tenderer to be eligible to tender, all requirements must be met in Annex 1. When submitting Annex 2 – the Tenderer confirms that they adhere to all the requirements.

Annex 2 – Tender form – Technical specifications

The tenderer needs to fill in all blue fields in the technical specification form.

Annex 3 – Centre Stage proposed schedule

This is to give the Tenderer an idea of the scope of the Centre Stage production.

Procurement documentation is available [here](#).

For questions and to submit your tender please contact: katarina.liljegren-swahn@siwi.org
Questions and answers will be shared with all participating tenderers.

The tender must reach SIWI no later than 2024-01-15 23:00.
